

Five Year Recreation Plan

The City of Gibraltar Recreation Department along with the Recreation Commission is working on the Five Year Recreation Plan, which is set to expire in 2019. The Recreation Department is seeking resident's input on what Gibraltar residents would like to see in City Recreation Programs or Recreation Projects within the City limit during the next 5 years.

Please list below any projects you would like to see included in the plan and return it to the Community Center at 29340 South Gibraltar Road or the Gibraltar City Hall at 29450 Munro no later than March 10, 2019

Please understand that not every project can be funded. However, as grant funds become available, we can utilize our projects to make applications for funding, provided that they are listed in our plan.

A Public Hearing will be held on Monday, March 11, 2019 at 6:30 p.m. at the Gibraltar City Hall to review all comments received from the survey as well as to take any public comments on the proposed plan.

A second City Public hearing will be held on Monday, April 22nd, 2019 at the regular Council meeting to provide residents a second opportunity to review and comment on the proposed plan prior to it's adoption at the meeting.
